

HYBRID SUMMER CAMP: PRE-K AGES 3-6

Our new Pre-K Hybrid Summer Camp has been established to help ease children back into a post Covid-19 learning environment slowly and with care. Our priorities include having parents and children ease back to school comfortably. With the onset of Covid-19, children are having to learn a whole new set of tools and rules limiting their social interaction and behavior. Colonial House not only wants to help transition each child with new social norms of personal space and practicing good hygiene, but also to make sure they are continuing to grow and evolve with individual skill-sets necessary for their development in preparation for Pre-K/Kindergarten.

Hybrid Summer Camp Offerings:

- On-campus learning with semi-private lessons for 1.5 hours
 - Small group/social distancing environment per CDC guidelines
 - Children will participate in various activities such as Art, Small Groups, Science, Math, Yoga, and Music/Drama
 - Choice of two-day or four-day options
- Seesaw activities/Take-home packets
- Friday Zoom Class

Please complete the information below to get your child registered for our Hybrid Summer Camp. If you have any questions, please do not hesitate to contact us. We look forward to a great summer at Colonial House!
